Artist's Statement

A foreign land ascends like wind to guide willow whose lush for life fingers sun conjugate in time. There she lay, arbored, a silent eye toward minute breaking heart, spoken beneath current, hair to tent air, aeros before swallow, surfacing for eros to folly and fly. With budding layers to limn earth, blue braces birth for nothing is lost in phrenic seeds lit to slow puncture, lived to encapsulate one becoming one for another.

Here Ot Blue, Blue I Am -

Oh Prosecuting Blue, Tell Me Your Name, What Are You
Pray Tell Oh Blue, Can You Breathe Too
My Bludgeoning Blues
Embolden A Blue
Bright Gnostic Grace
Fair Phenyl Blue

!

Biography

Ali Van feels motility.
She lives in taxis and inspirits everyday.
She is concerned with being here.

Ali Van is a Minnesota and Hong Kong based multi-disciplinary artist who immanently explores and responds to the components of life around her. Born in New York, Ali Van was raised between Hong Kong and the United States. She studied at Yale University, graduating in 2008, and received an MFA in Visual Arts in 2013 from Columbia University School of the Arts.
